PRESS RELEASE

MEETING WITH' PARENTS AND GUARDIANS OF LUANAR STUDENTS

The LUANAR Council is inviting parents and guardians to interface meetings on the challenges the University is facing in its delivery of services (i.e. teaching, learning, research and outreach activities) as it strives to be a World Class University. The challenges are compounded by students' inability to pay tuition fees.

LUANAR Council recognises the important role parents/guardians play in developing their children's positive attitudes towards learning and education, building their motivation and confidence as learners, and fostering their enjoyment of the learning. It is therefore the desire of the LUANAR Council that parents become more involved in their children's education, as research clearly shows that there is a strong positive relationship between a student's success in school and the level of engagement by his or her parents with the school.

The meetings shall be held in all the three regions of the Country hence parents/guardians are requested to attend at any of the venues of convenience to them as follows:

1. LILONGWE

Date: Friday 5th April, 2019
